Why the Honoree is receiving a GEM Award including dates:

During the COIVD-19 pandemic, Mr. Shepherd was able to lead the Equipment Services department and ensure that all of his employees remained healthy and working. In order to ensure the department had adequate coverage, if an employee were to contract the virus, Mr. Shepherd sent some of his employees to work from home, while others split into a day shift and night shift rotation. Mr. Shepherd voluntarily worked the night shift rotation April – August and ensured that all essential activities were being taken care of. In addition to covering the night shift, Mr. Shepherd often performed various duties for Equipment Services from home during the day.

For his hard work ethic and dedication to ensuring that his department stayed whole throughout the COVID-19 pandemic, I nominate Dayne Shepherd for the GEM award.
