

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Joe Bart Browning

Honoree's Job Title: Equipment Operator

Department: Public Works Road & Bridge

Years of Service with the County: 10

Why the Honoree is receiving a GEM Award including dates:

Public Works operates various fuel facilities in the County to support its diverse fleet. The Asset Management Technician normally administers the fuel facilities but this position was vacated in early August. Since then, Joe Bart Browning generously agreed to share those responsibilities at the Farmersville Service Center until a replacement is hired. If the primary person is absent or unavailable, Bart monitors the fuel installation, reports any anomalies, records daily fuel quantities and accepts fuel deliveries. His efforts here also spare Equipment Services from dispatching someone to Farmerville to manage the fuel farm which saves staff productivity and gas. While performing these new tasks periodically for the Equipment Services division, Bart still completes his normal job duties with the same diligence, precision, and commitment to which we have grown accustomed.

For his generosity and professionalism, I nominate Joe Bart Browning for the GEM award.

Approved by elected official or department head on the 2nd day of Sept., 2016
