Why the Honoree is receiving a GEM Award including dates:

Throughout the COVID-19 pandemic, Nathaniel Pritchett played a pivotal role in ensuring that the Equipment Services division ran smoothly. Mr. Pritchett filled multiple roles during normal business hours while the Parts Warehouse Supervisor was working the night shift and the Administrative Secretary was working from home to assist the County's Healthcare Department. Additionally, Mr. Pritchett stepped in and helped run the night shift while the shift supervisor was away on paternity leave.

Mr. Pritchett began working for Collin County Public Works in June 2016 and later transferred to the Equipment Services division. Since joining Equipment Services in October 2016, Nathaniel has been an asset to the department. Mr. Pritchett has taken the opportunity to learn every aspect of the department, and has become a dependable employee to fill in when others are absent. For his strong work ethic and dedication to making Equipment Services a great department, I nominate Nathaniel Pritchett for the GEM award.
