Why the Honoree is receiving a GEM Award including dates:

I would like to recognize Ralph Chapman for a GEM award. One of the 3 automotive lifts in the shop would not return to ground level which caused the bay and the surrounding area of the shop to be inoperable and was a trip and fall hazard. On October 3, 2016, RC fabricated a shop vacuum with a metal extension tube to reach down 7' and removed the debris. Due to his hard work and ingenuity, the bay is operable, safe and allows for increased productivity.
