

Collin County Going the **Extra Mile (GEM)** Recognition Form

Honoree's Name: Nathaniel Pritchett

Honoree's Job Title: Right of Way Coordinator

Department: Public Works Road & Bridge

Years of Service with the County: 9+

Why the Honoree is receiving a GEM Award including dates:

Throughout Nate's tenure with Public Works, he has served in various roles including the Asset Management Technician. Nate was promoted to the Right of Way Coordinator position in February, and while Equipment Services was searching for his replacement, he filled in and trained the new employee. This hire did not work out, and Nate graciously filled in once again and is currently training the most recent hire.

When positions are vacated, there is a collaborative effort to make sure the roles and responsibilities are covered. In this case, the Asset Management Technician position is a specialized position and requires somebody with the knowledge and skills to cover. For Nate's willingness to perform two jobs on a regular basis for the majority of 2025, I nominate him for the Going the Extra Mile Award.
