Years of Service with the County: _____

Why the Honoree is receiving a GEM Award including dates:

I'm writing this memo to recognize Deputy Nevarez for his community service and the public he serves. I recently found out that Deputy Nevarez has gone above and beyond his call for duty in helping the citizens of Collin County.

One incident in which Deputy Nevarez showed this helping attitude was when he got called to a subject with mental health issues. He spoke with them for some time about programs for mental health. On his own time, he assisted this person in getting help from Life Path; he even assisted in helping pay for an appointment with the subject's regular mental health professional.

The second time was when Deputy Nevarez assisted a subject in changing his flat tire. The subject's spare tire was not in good condition, so Deputy Nevarez escorted the citizen to a tire shop and paid for a tire due to his not having funds to pay for one. Deputy Nevarez did this so that he could make his way back home safely.

These two incidents are just a couple that I know of where Deputy Nevarez has taken the time and his own money to assist the people of Collin County.
