Why the Honoree is receiving a GEM Award including dates:

Officer Anthony McCurdy has taken ownership and is achieving remarkable success in his role as pod officer in the Programs pod (3C).

Officer McCurdy has created and maintains an active spreadsheet documenting the inmate's participation and progress being achieved on Edodvo. This has allowed Officer McCurdy to identify the inmates housed in the programs pod whom have either no courses completed or very minimal progress made in reflection to the length of time they have been enrolled in the program. Officer McCurdy then shares this information gained with Programs officers James Pope and Arisha Hammonds thereby ensuring that only committed participants are being housed in 3C.

Officer McCurdy efforts reflects the shared vision establish by Assistant Chief Jaquess pertaining to Programs. Officer McCurdy has stated that his goal for his pod is to have 72 individuals who are fully committed and are maximizing the resources provided to them. He supports this goal in his daily interactions with words of motivation and encouragement to the individuals under his authority.

Officer McCurdy is an example that all officers should strive to follow as we transition into a more program orientated facility. As Officer McCurdy supervisor I couldn't be more proud of what he is accomplishing.
