Why the Honoree is receiving a GEM Award including dates:

Officer Antoine Turner has been employed with the Collin County Sheriff's Office for sixteen years. He is currently a Field Training Officer training new Officers and helping them understand each position within the jail and feel comfortable working in their position. Officer Turner was extremely diligent with his most recent trainee who was struggling. Officer Turner's trainee did not pass training but it was not due to his lack of trying. Officer Turner worked closely with the Training and Compliance division in an effort to get his trainee through training by coming up with alternative ways of training him. Officer Turner was extremely patient and diligent with this trainee and this showed by the effort he took with him.

Officer Turner is a leader and is able to diffuse many difficult situations and is able to think on his feet with unusual circumstances. Officer Turner has been elected to provide input regarding the creation of the inmate tablet management policy. He has no attendance issues and reports for duty every single day with a positive attitude. Officer Turner's attitude and desire to learn has had a direct impact on operating the Collin County Detention Facility. I believe Officer Turner has met and exceeded all requirements for Employee of the Month.
