### Why the Honoree is receiving a GEM Award including dates:

On November 16, 2018, Sabrina Fultz, an employee at O'Reilly Auto Parts, shared a post on Facebook about Deputy Waldron. The post included a photo of Deputy Waldron and an unknown male, who was holding a vehicle starter. Ms. Fultz advised that the male's vehicle had been broken down for several days on Highway 78 and he had no money to buy a starter for the vehicle. Ms. Fultz went onto say that Deputy Waldron came into the store and purchased the starter for the citizen. Ms. Fultz described Deputy Waldron as "a shining example of what an officer and a human should be!" She continued by saying "Thank you for showing us that wonderful and caring people still do exist! I have so much respect for you!"

I believe this is exactly the type of outrageous customer service we should strive to provide every day and is deserving of a G.E.M Award. Thank you.
