

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Blaise F. Mikulewicz
First Name Middle Initial Last Name

Honoree's Job Title: Captain

Department: Sheriff's Office

Years of Service with the County: 1 Year, 2 Months

Why the Honoree is receiving a GEM Award including dates:

On February 11-12, 2021 and during the entire week of February 15, 2021, Collin County experienced a historic winter weather event, which included record low temperatures, and resulted in hazardous road conditions and electricity/water outages for much of the area. As is always the case during inclement weather, detention facility operations must continue utilizing essential staff, which primarily includes detention officers and some detention supervisors. During these events, many exempt supervisors (including captains) are considered non-essential staff, and are not required to report for duty. Despite the option to remain home during scheduled office closures, Captain Mikulewicz voluntarily reported for his regularly assigned shifts as a display of solidarity with his platoon, and in order to assist with management of staffing and detention facility operations, which were impacted by a multitude of maintenance issues due to the weather. During these office closures, Captain Mikulewicz worked his full 12 hour shift on February 12th, 17th, and 18th. Based upon his dedication and willingness to voluntarily assist during these office closures, I recommend that Captain Mikulewicz receive a GEM award.
