On 06/04/20, Investigators received information about an aggravated robbery that occurred in Westminister. The robbery occurred at a convenience store and the suspect fired two rounds at the clerk at the store. Within three business days, Inv. Herron was able to locate video footage identifying the suspect vehicle, located the suspect vehicle and executed a search warrant on the vehicle. Herron was then able to locate the suspect through investigation and execute a search warrant on his residence. Within seven business days, Herron was able to obtain a warrant for the suspect's arrest and he was arrested in Oklahoma. Without the diligent effort of Inv. Herron going the extra mile and ensuring all of the available information was obtained, this case may not have been solved.
