Honoree's Job Title: Captain

Department: Sheriff's Office

Years of Service with the County: 20 years

Capt Havey has been an employee for the Sheriff's Office for over 20 years and has repeatedly proven himself a valuable asset to the CCSO. His current position is the Captain over Administrative Services, which includes Communications, Warrants and Records, and the Collin County Radio Project.

From December 31, 2020 to February 10, 2021, Captain Havey served as the acting Assistant Chief Deputy for the Support Services Bureau while the current Assistant Chief Deputy, Anthony Carter, was attending military training for the U.S. Air Force.

Captain Havey's normal day-to-day responsibilities of handling all matters pertaining to Collin County's new installation and implementation of the digital radio program is extremely demanding and challenging; then to add the responsibility of supervising an entire bureau only added to his work load. Captain Havey performed his assigned and temporary duties in an exemplified manner with very minimum guidance or errors. His knowledge, experience, and "can do" attitude has once again showed his value as a tremendous asset to the CCSO!
