Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Christine E Greenway
First Name Middle Initial Last Name

Honoree's Job Title: Secretary

Department: Facilities

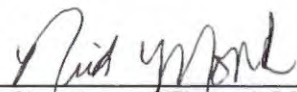

Years of Service with the County: 7 years

Why the Honoree is receiving a GEM Award including dates:

In late September 2022 there was an emergency with a water line break at the Juvenile Detention Center. Due to this being a life and safety issue, we needed to get the contractor a purchase order quickly to get started the following day on finding the water leak. Ms. Greenway stayed past business hours to make certain the purchase order was created and released to ensure the contractor would be able to start on the job first thing the following morning. Because of Ms. Greenway's do-diligence, the contractor was able to start working on the issue first thing the following morning.

Ms. Greenway has only been in her current role for approximately 7 months, but has really taken on her responsibilities and goes over and beyond on a daily bases. We are grateful for everything she does at Facilities and are fortunate to have her as one of our employees.
