Why the Honoree is receiving a GEM Award including dates:

On 9/5/2022, a call from the court coordinator for the 296th District Court was received.
She stated that Bailiff Rollins had been sent home due to illness but the court was beginning a
jury trial and was in immediate need of a relief bailiff. I called upon Officer Rose who took the
assignment with a positive attitude and completed the jury trial which lasted three days. On
9/8/2022, I received an email from the court coordinator, Charla Kiser, which is attached. She
stated that it was a pleasure having Officer Rose fill in and that he did a fantastic job. She also
stated that Judge Roach was very impressed with how Officer Rose handled the jury. Hearing
these types of complements show extreme professionalism and builds a strong working
relationship between the Sheriffs Office and the courts.
