Why the Honoree is receiving a GEM Award including dates:

On June 12, 2024, Deputy Warnell self-dispatched to assist the Farmersville Police Department Sergeant with a major accident on US 380 at County Road 557. While on the scene, Deputy Warnell learned that one of the drivers involved in the crash had recently moved to the area and lacked local support. During their conversation, he discovered she was financially constrained and unable to arrange transportation for herself and her two other children to the hospital, where her 15-year-old son was critically injured.

Recognizing the urgency and without being prompted, Deputy Warnell took it upon himself to order an Uber for the woman and her children, paying for it out of his own pocket.

Deputy Warnell is setting a great example to the other deputies and is a great reminder that selfless behavior is appreciated and goes a long way.
