Why the Honoree is receiving a GEM Award including dates:

Sgt. Pond recently challenged our deputies to find and submit items that can be used on our social media accounts. Sgt. Pond believed there were interesting, informative or funny things happening every day that should be posted on our accounts to expand our media footprint.

Deputy Blaylock really took this challenge to heart! In a span of approximately three weeks, Deputy Blaylock submitted approximately 10 different items that he believed could be used by Sgt. Pond. Deputy Blaylock submitted photos and videos shot from his phone, along with videos taken from his personal drone. His submissions depicted deputies being involved in community events, conducting traffic enforcement and completing a police motorcycle training course.

Deputy Blaylock's initiative has definitely benefited the Sheriff's Office and made our media pages more interesting and informative.
