Why the Honoree is receiving a GEM Award including dates:

On 05/14/22, Deputy Jeffcoat answered call for service where the subject stated that he was having trouble registering his vehicle. Deputy Jeffcoat got the information that the subject had with him when he purchased the vehicle. Deputy Jeffcoat went above and beyond his duty and researched the vehicle. Deputy Jeffcoat ran the vehicle's VIN which came back to another vehicle at a car lot. Deputy Jeffcoat was able to get in touch with the dealership and they sent him a title to the vehicle they had with the same VIN. Deputy Jeffcoat believed that the vehicle was cloned. A cloned vehicle is where subjects take a stolen vehicle and alter the VIN and paperwork for the vehicle. On-scene, Deputy Jeffcoat could not locate the number on the frame of the vehicle. Deputy Jeffcoat had the vehicle moved to the service center for a more in-depth check by CID. On 05/17/22 CID was able to locate the VIN on the frame of the vehicle and confirm that the vehicle was stolen out of Harris CO.
