Why the Honoree is receiving a GEM Award including dates:

Throughout the COVID-19 pandemic, Kitchen Tech Jason Scott has shown true dedication to his position as Kitchen Tech and to the Collin County Sheriff's Office. Kitchen Tech Scott has gone above and beyond the scope of his assigned duties by covering shift assignments due to vacancies when needed, maintaining accurate inventories of the detention facility food services, continuing to order necessary items so that the over 900 inmates being detained at the adult detention facility and juvenile detention facility can be fed three times a day, and has acted in a supervisory capacity when called upon by his supervisors in a time of need.

Kitchen Tech Scott has also assisted in the documentation of proper inventory in the MUNIS system for the Sheriff's Office, Auditors Office, and Purchasing Office. This process was recently updated and without Kitchen Tech Scott's efforts, the progress obtained would not have been such a success.
