

Collin County

Going the Extra Mile (GEM) Recognition Form

Honoree's Name:	Jessica	Pond
	First Name	Middle Initial
Honoree's Job	Last Name	
Title:	Administrative Sergeant	
Department:	Administrative Section	
Years of Service with the County:	15 years	

Sergeant Jessica Pond is currently assigned to the Administrative Section. She started her career at the Sheriff Office in 2005, as a Jailer. She then completed and received her Texas Peace Officer License in 2009. In 2019, Jessica was promoted and transferred to the Administrative Section in the role of Sergeant. One of Sergeant Ponds many responsibilities included updating, designing, and in many cases completely creating new recruitment flyers, handouts, banners, and software. Both design and programming are often tedious, pain staking, and time consuming.

After Professional Standards Section was recently assigned a permanent recruiter, it became apparent that there was a need for digital documents, media, and electronic tracking capabilities to be successful. Sergeant Pond's work and cooperation on these tasks was outstanding. The entire Sheriff's Office will benefit from her efforts in these areas. There is no doubt that her role in this project will payoff exponentially towards successfully hiring new employees.

Sergeant Pond's recent contributions to carry forward the vision of recruitment and the message of the Sheriff's Office makes her a valuable asset and deserving of a GEM award.
