Honoree's Name: Jipsha Dolly  
First Name Middle Initial Last Name

Honoree's Job Title: Geocode Coordinator

Department: Sheriff's Office

Years of Service with the County: 4 months

Why the Honoree is receiving a GEM Award including dates:

In her short tenure, Jipsha has been noticed as a quiet professional. She always has a smile and kind greeting for everyone. I have been present in meetings with Jipsha and she is articulate, confidant, and helpful. Her dedication to her job is evident.

On September 18, 2023, Jipsha Dolly started as the Geo-Code Technician. Since her start date she has taken over the entry, issuance, and renewals of Alarm Permits for unincorporated Collin County. She is adding over 50 new alarm permits and processing nearly 200 renewals. Jipsha has also entered nearly a thousand new addresses into the system. Adding these to the CAD system is very time-consuming and requires multiple checks in different programs.

At the beginning of October, several area agencies added additional personnel, which Jipsha added to the CAD system. These included Anna Fire Department, which added ten new firefighters, Melissa PD's two new officers, Celina's two new officers, and Princeton PD's two new officers.

Jipsha Dolly is always pleasant with co-workers and responsive when asked to do a task.
