Years of Service with the County: 3 years

Why the Honoree is receiving a GEM Award including dates:

Jorge is relatively new to the position of Inmate Programs Coordinator however he has exhibited outstanding ability to thrive in this position. I have had communication with several other supervisors both with the Sheriff's Office as well as other County Departments who had nothing but great things to say about Jorge's performance.

Jorge entered the Inmate Programs Coordinator position during this trying time of COVID-19. He has adapted well and excelled in keeping the inmate population in contact with their attorneys, clergy, and many others using new technology which has proven to be paramount with the suspension of in person visitations.
