Why the Honoree is receiving a GEM Award including dates:

On June 2nd, 2021 the Child Exploitation Unit conducted an undercover operation that led to the arrest of a 31 year old male for online solicitation of a minor when he agreed to meet the UC Investigator's 14 year old female persona for sex. During this operation there was the need for a live conversation with the suspect. Criminal Justice Information Specialist Kaley Durrett stepped into assist the UC investigators and spoke to the suspect on the phone on at least 6 different occasions before he would meet. The UC investigators were able to take him into custody and obtain a confession. This operation would not have been successful had Kaley Durrett not agreed to assist in something that was outside of her normal job function. I believe Kaley should be recognized for stepping up and going the extra mile.
