Honoree's Name: Kelly R Johnston
First Name Middle Initial Last Name

Honoree's Job Title: Deputy

Department: Sheriff's Office

Years of Service with the County: Eight

Why the Honoree is receiving a GEM Award including dates:

Deputy Johnston has coordinated the bulk of the Training needs for the Sheriff's Office since January when Deputy Clopton left for military service. In that time she has coordinated both field training and licensing training for four dispatchers. She has coordinated and instructed the Collin College Law Enforcement Academy Basic Corrections Officer Course, the first of our new contract with them. Deputy Johnston has coordinated several National Institute of Corrections courses, courses for investigators, and various in-service courses; she regularly works on nights and weekends and meets out-of-town instructors on Sundays to help set up for Monday classes. She has also conducted the majority of new employee orientation courses, proctored every state exam, and made most of the new and replacement access cards, and a host of other time-consuming, thankless tasks. Deputy Johnston also quality controls and inspects every new employee file for content and detail.

Deputy Kelly Johnston is a hard-working employee who rarely takes off and never asks for anything in return for her dedication.
