Why the Honoree is receiving a GEM Award including dates:

Jail Case Officer Scott Denison stepped up to bridge the gap without hesitation when a vacancy occurred in the Jail Case Coordinators Office. Beginning July 18, 2022, a vacancy in the Community Corrections Officer position presented a challenge for a division with limited staff. JCO Denison immediately assumed the roles in this position to ensure no ELM/GPS delays would occur. He implemented a two-officer verification system, which monitors the installs and removals of GPS/ELM's. JCO Denison also began training other officers how to conduct the duties of the Pre-Trial Release Program, coordinating Parole visits, completing tasks on the request manager and handling the Veterans Re-Entry Search Services.

JCO Denison has displayed superb leadership during this transition and has shown that he can accomplish any task he faces and build a team of professional staff.
