Why the Honoree is receiving a GEM Award including dates:

On December 12, 2022, the Collin County Sheriff's Office received numerous calls about a large pothole on State Highway 205. Callers said there were several vehicles that had flat tires due to this road hazard. It was raining on this night which made this pothole nearly impossible to see and avoid. Deputy Randall Deck responded to this call and met with a female driver who had gotten a flat tire after hitting this pothole. The driver said she had called roadside assistance but was told it would be some time before they would arrive. Deputy Deck decided to take matters into his own hands and change the damaged tire himself. Deputy Deck made sure that this citizen was able to safely get back on the road rather than waiting in the rain for an unknown amount of time in a stressful predicament. Through his actions, Deputy Deck exhibited the qualities all citizens desire in their Sheriff's Office, kindness, empathy and selflessness. Deputy Deck should be commended for his conduct and his service to the citizens of Collin County.
