Over a two month period Investigator Merritt worked tirelessly with other local and State agencies building a criminal case. On January 17th, 2023 after conducting several hours of surveillance, Investigator Merritt assisted by a local agency were able to conduct a traffic stop on the known supplier. This traffic stop yielded over two ounces of methamphetamine, U.S. currency, and the on-view arrest of the known supplier. Based on this arrest, Investigator Merritt after working all day continued to work into the late evening hours to further this investigation by drafting a search warrant for the known suppliers house and property. As the result of this search warrant an additional 8 lbs of methamphetamine was seized along with a large quantity of other illegal narcotics, and over \$8,000 in U.S. currency. Investigator Merritt continuously took it upon himself going above and beyond to make this happen and because of it one of the largest known suppliers of two counties was taken off the streets. This supplier is currently being held in Federal custody awaiting trial for these charges. This is an on-going investigation.
