Why the Honoree is receiving a GEM Award including dates:

I, Sgt. Brownrigg, would like to recognize Investigator Rodney Tackett for an outstanding job in tracking and apprehending a fugitive wanted for Sexual Assault.

In May 2021, Investigator Tackett was assigned a municipal warrant out of the McKinney Police Department for Sexual Assault. The fugitive was aware of this warrant, and actively evading law enforcement as to not be arrested. Investigator Tackett worked on this warrant for several weeks in both the surveillance and intelligence gathering capacity, and because of his hard work and dedication to seek justice for this victim, Investigator Tackett was able to locate an address where the fugitive was believed to be hiding.

Investigator Tackett formulated an ops plan that involved several agencies, and was able to cultivate a cooperating source to confirm the whereabouts of the wanted fugitive. The plan was executed, including the use of air surveillance, and after a brief foot chase the fugitive was taken into custody without incident or injuries.

I commend Investigator Tackett for always going above and beyond to see his tasks through, and provide the citizens of Collin County with the service they deserve.
