Major,

I would like to commend one of your Lieutenants. I called around trying to get a door unlocked after 5pm today. Everywhere I turned everyone had left for the day. Finally I contacted Lt. Smart to ask him who he may know that could open it. He told me he was picking up his little girl and could come right over and open it for me. I needed to get into the Chief Deputy's office due to him having a hot paper and the lady was leaving to go out of town. Without his help it could have caused a real hardship on the DA's office. I am really impressed. I very seldom send in Atta-boy's. But I feel this one is well deserved.

I hope I am sending this to the right supervisor. If not please forward this to Lt. Smart's supervisor. I am very glad that we have a great working relationship between our agencies. Thank you for having such a dedicated employee working under you.

Regards,

Shane Williams
