Narrative:

I recommend that Officer Emory be considered for a GEM award. Officer Emory goes above and beyond his normal daily job duties down. On several incidents Officer Emory has come upstairs to assist with fights, Inmates refusing to rack up/removals, and even medical emergencies. One example is on 6/12/15 5A called for a removal and once I reported I noticed several officers just standing around. I walked by found out what was going on and Officer Emory was right there with me. He also walked by those Officers not by stepping on their toes but they were not doing anything to diffuse the situation or take control. Second example, Office Emory reported to a removal in 5A and 2 Officers got assaulted. Officer Emory was there to step in and help where he was needed and in placing Inmate on the restraint bed. Officer Emory is always professional, great employee, and willing to help where he is needed.

Attach appropriate reports to this form, i.e., medical treatment, offense report, affidavits, etc.

Supervisor's comments and/or recommendations: _____

I do not recommend, I feel that Ofc. Emory is a help to housing I do not feel he has gone above and beyond his job duties. Lt. McNeme It is not unusual to have officers come to the housing area when assistance is called; however, I do not recommend GEM awards for their responses. 07/28/2015 Lt. Ballen
