

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Todd Eades

Honoree's Job Title: Dispatcher

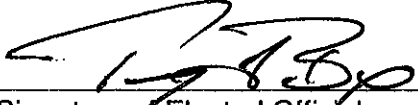

Department: Sheriff's Office

Years of Service with the County: 10 ½ yrs

Why the Honoree is receiving a GEM Award including dates: December 27, 2011

In the early morning hours of December 27, 2011, the county CISCO network experienced a major outage. This outage left the dispatch center without any administrative phone lines, TLETS nor CAD operating system. Without the CAD system, Dispatch had to operate in a manual mode by taking call information by hand and dispatching all units using paper call notes. Todd is currently training a new dispatcher on the main dispatch channel. He made sure that his trainee stayed on track and officer safety was not jeopardized. He did a phenomenal job in making sure that dispatch operations continued to function routinely until the system was back up and running normally.
