Honoree's Name: Victoria Waller
First Name Middle Initial Last Name

Honoree's Job Title: Detention Officer

Department: Detention Platoon 2

Years of Service with the County: 1 year

Why the Honoree is receiving a GEM Award including dates:

This G.E.M is being submitted for Officer Victoria Waller for recognition as Employee of the Month. Officer Waller is dedicated to performing her job accurately and with little to no errors. She is determined to provide information to others in order that they may uphold the same standard of accuracy and, with this goal in mind, has compiling documentation for reference and training purposes in the Booking Area. She has created several efficiency forms streamlining processes in booking. Officer Waller consistently goes above and beyond in her duties and takes on extra duties regularly. In fact, Officer Waller was recognized, recently, for having the cleanest work area, during a cleanliness competition put on by Platoon 2.

Officer Waller can be an intense and expressive individual but this is only because she is very passionate about her role in the Sheriff's office. She has made great strides in fostering a positive attitude and is always available to assist anyone. I would also like to note that Officer Waller was selected as a TJA Court Challenge Participant and spent extra time off-duty studying Jail Standards. She is quickly becoming a wealth of information and is not hesitant to share that knowledge with others. For all of the reasons mentioned, she has also been recommended for a position as Field Training Officer in Booking. She is a pleasure to work with, a very reliable officer and worthy of being recognized as Employee of the Month.
