

## Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Paola      First Name      Middle Initial      Last Name Retana Martinez

Honoree's Job Title: Title Specialist I

Department: Tax Office (Motor Vehicle, Frisco location)

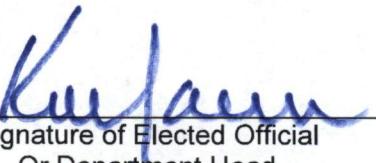

Years of Service with the County: 7

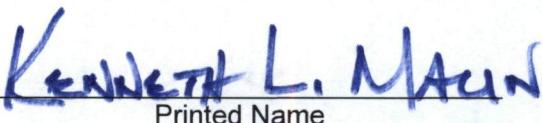

Why the Honoree is receiving a GEM Award including dates:

Many times over the last five months, Paola has agreed to open and/or close the Frisco office when the supervisor has been unable to do so. This has meant not only peace of mind for the supervisor but has kept the office running smoothly. This is not an easy proposition for Paola as she has to fit it around her commute (which is the longest in the office) and her college course schedule. We appreciate her willingness!

Approved by elected official or department head on the
